

Our Sale is Over

The midsummer sale has come to a close. The people bought liberally and were pleased with their purchases.

I thank them for their liberal patronage and appreciate their confidence in the ability of this concern to sell good goods at low prices.

At all times the K. S. Co's stock is fresh and complete and they appreciate the buying public calling on them early and often.

Come in while the manager is taking his vacation and let me sell you a good big bill of stuff. I want a raise in salary when he comes back.

Yours for heavy buying.

Fine farm land

Splendid section.

Do you wish to invest your surplus money in good farm lands. Land is continually going up, and there is no surer way of your making a good income than by investing your money in some good Georgia farms.

If you want land to cultivate and want to get into the garden spot, see me, I have fine improved and unimproved productive lands at the most reasonable prices, or if you want to own a home in a section that is blessed with all the favorable conditions, look over my list.

One of the nicest little places in this section is a 60-acre tract, in 2 1-2 miles of Turnerville; 30 to 40 acres cleared; lots of forest trees, has some good branch bottoms on it, has two houses, good well of water and an excellent spring. Can sell you this for \$800, one-half cash and balance to suit purchaser. Come quick for I won't have this bargain long.

Another snap is a 75-acre tract that is right near railroad station. This is splendid land, about half of it cleared. Has on it two buildings, barn, etc., is well watered and well located on public road, in a good community and is just 1-2 mile from school. For a quick get-away to some of my old Pickens county friends, \$1000.00 will swing the deal; 1-2 cash and balance to suit the purchaser.

A nice 160 acre farm for \$1800. It lies well, is 2 1/2 miles of Turnerville and 2 miles of Hollywood; 40 acres cleared. 2 good houses on it. A great place for stock, dairy or poultry.

150 acres for \$1500. Has good house on place; in 1/2 mile of Hollywood; 21 acres cleared. Splendid farm with good school and church advantages

Within 1-2 mile of Turnerville, Ga., and on a leading public road, I have another pick up for a Pickens county man, in a 60-acre tract with some cleared land, well watered, some good branch bottoms, good 3-room house on place, good orchard of fruit trees, good well and splendid spring. This property will not be on the market long at \$1000.00. This is a rare bargain, and if you want it come quick for I have option for only a short time.

People that come here, don't want to leave, and all who have been able to do so have bought while out here, while others have gone back to arrange to buy.

We have a regular "Pickens County Colony" here and new members are constantly being added. The boys want you to join them and I can fix you so you will be a full fledged member in a jiffy.

Come and see me, whether you buy or not, it will do you good, and help you too, to look over this country and find out why others like it so well.

Slippers at \$1.00 Per Pair.

Pickens County has been wonderfully blest this year with enough rain to keep the crops from suffering with the exception of a very few localities and now the rain has been general and many fields that looked like they would be a failure are going to produce good crops. Surely every body ought to feel thankful. No doubt the crop has been made with the least expense for years, and we doubt whether there has ever been a better prospect in this county than we have now.

We are offering until Sept. 1st our \$1.50 and \$1.75 lady's slippers for only \$1 per pair. We have many odds and ends that will give great values during August. Don't fail to bring us the chickens and eggs.

Yours truly,
